SAMPLE

These Thermal Printers enable doctors to print thermal prescriptions vs. handwritten prescriptions from a pad avoiding legibility errors. Utilizing specialized and secured thermal prescription paper, the prescriptions are printed using the latest medical technology software on the market, resulting in a secured legible script in seconds.

Features:

- Legibility
- Efficiency
- Security

Ideal For:

- **Pharmacies -** *Print Electronically Received Prescriptions*
- **Doctors Offices**
- **Medical Clinics**
- **Emergency Rooms**
- **Hospitals**
