Dear David Lindsay,

Due to the increase demands for pulp and paper and the recent marginalization of several paper producing assets, Kanzaki Specialty Papers is forced to announce a price increase of 5% on our TAG products globally, effective with shipments on or after April 29, 2019.

Your KSP sales person will be willing to discuss possible alternatives which may help mitigate the effects, such as alternative tag grades in the portfolio.

As always, our Customer Service Team will also be available for you at 1-888-526-9254.

We thank you for your continued support.

Sincerely,
